

2019 University of Oregon Fantastic Fundraisers

Sheldon Band & Color Guard Members & Families – Sheldon Band & Color Guard will once again be participating in two fundraisers for the Fall UO football season. Each marching band member and their parent/guardian is asked to work **at least** two concession games & two clean-ups (or a different combination that totals to four). Sheldon Band earns over \$10,000 from these two fundraisers! These fundraisers are what helps us keep our marching band fee so low compared to others schools! We will need help from all families to insure we have enough workers for both events. **These fundraisers are very important towards to help us reach our goal of purchasing an additional 70 marching band uniforms & instruments to support our growing band program.**
